## FROM THE PARISH REGISTERS

### Funerals

19<sup>th</sup> April: A service of Thanksgiving for **Kurt Hellman** was held at Withyham St Michaels.

20<sup>th</sup> April: The funeral of **Kenneth May** was held at All Saints, Blackham.

Our thoughts and prayers are with the relatives of both.

## **Another Last “LAST LETTER FROM THE RECTORY”**

Josephine and I have been overwhelmed by the generosity of your farewell gifts and the warmth of your good wishes on my retirement.

I am writing this on 'the morning after' amidst the packing cases and all the usual turmoil of departure. Luckily we are in the hands of very friendly removal men ('Friends Removals of Forest Row'). Let's hope their patience survives the next 48 hours.

We will have so many wonderful memories of Withyham and Blackham. The photo album full of pictures of Blackham, and the DVD recordings made by Nick Wells of the services in Withyham Church on our last Sunday, and of some previous Evensongs, are going to be treasures for the family archive. We will also keep happy memories of the tea party at Blackham Village Hall, with a wonderful performance by the Junior Choir, and the reception at Withyham's Kings' Hall, when our patron, Lord De La Warr, said such nice things about Josephine and me (including some indiscreet revelations from my past CV). The lavishly illustrated volume about the beautiful Book of Kells and the DVDs of those splendid programmes by Simon Russell-Beale about sacred music are going to give us a great amount of pleasure in the years ahead.

We have not yet decided how to spend that vast sum of money you gave us (the cheque plus individual gifts amounts to nearly £4,000), but my guess is that we will blow much of it on one of those wonderful holidays one reads about - no, not the sun-drenched Caribbean - neither of us 'does' sea, sand and sunburn - but perhaps a river-cruise up the Rhine. We'll see.

(Please don't tell the children I said that about the sun-drenched Caribbean – at their wonderful presentation at school assembly, they presented me with lots of pictures of 'Reverend Leak spending his retirement on the beach eating chocolate', and ' spending more time at home with his Mum' – it's re-assuring to know where their priorities lie).

It has been an emotional roller-coaster for us these last weeks, and we are both in a bit of a daze. You have been so generous.

Many, many thanks from

**Josephine and Adrian Leak.**

## Churchwarden's Notes - May

On 15th April there was a well attended Annual Parish Assembly in the Village Hall. Rosemary Cadogan-Rawlinson stood down as Churchwarden after three extremely busy years, some of which, for one reason or another were virtually solo. Richard Carden was elected and I was re-elected as Churchwardens. I would like to welcome Richard and thank him for agreeing to stand. We both realise that we have a very high standard to live up to. I have seen at first hand the enormous amount of work Rosemary did, particularly in the reorganisation of the files and service sheets. Rosemary, we promise we will try and keep them as tidy, but you have to remember, we are only men! I would also like to thank Gillian Halcrow for agreeing to take over from Josephine Leake as Hon Secretary of the PCC. Welcome Gilly, although we will miss the canine additions to the PCC secretarial pool.

After the Annual Parish Assembly, a PCC meeting was held and the New Parish Profile, The Mission Action Plan and the Person Specification for a new incumbent were approved. All full of words I have come to know and love over the eight drafts it took to get them right! They are now with the Archdeacon, for his approval. Once this is received we can proceed with an advertisement in the Church Times for Adrian's successor.

**The Gerini Paintings:** We received notification from Sotheby's that, as expected, the Arts Review Body had found that our paintings had sufficient artistic merit to warrant a refusal of the export licence, to enable a British buyer to come forward. This will take three to four months. At the end of this time we will know whether we will receive the money or if a further period must elapse, to enable a prospective buyer to raise the funds. We will keep you informed of any progress.

On 21st April, Adrian preached at his last service at St. Michael's. Over 240 people were in attendance, necessitating some last minute scurrying to bring extra seats from the shed. Adrian, during his sermon, regaled us with some stories of his earlier life. Apparently, despite his now angelic appearance, he was a bit of a bolshie teenager. Something we can all probably empathise with, if my teenage years were anything to go by and certainly I can recall some positively contumacious (!) events from my own children.

When the service was over, Adrian left by the centre aisle and as one, the congregation rose in spontaneous applause. Adrian tried valiantly to keep it all together, and almost succeeded.

#### 4.

I suspect that, like me, there were a few lumps in throats as he went by. It was a truly fitting departure for someone who has given so much time, commitment and of himself to the parish. And we must not forget Josephine, who gave so much support to him. They will both be sorely missed.

The sad part over, it was on to the happy part and a farewell party at the Village Hall. Thank you to all those who provided food for the occasion, it was a splendid effort. Lord De La Warr spoke of the high regard in which both were held by the parish and of Adrian's great gift for helping those in need, or recently bereaved, with words of comfort. He then presented them with some small presents, followed by a cheque for £3,700, to help in their move to a new home. Money is still coming in, so the final total will be somewhat higher. Many thanks for the generosity of the people in the Parish who showed their gratitude in such a tangible way.

On the 22nd, I attended the Withyham Parish Council's Annual Assembly in Groombridge, to represent St. Michael's and All Saints Blackham churches. The meeting was well attended and one of the guest speakers was Katy Bourne, the new Sussex Police & Crime Commissioner. She spoke quite impressively and one can only hope that she will have some influence on the concerns of the residents of Sussex.

I have been trying to arrange cover for the weekly Eucharist on Thursdays and it is proving very difficult. The priests available to us are either old, infirm or already committed on Thursdays. So far, in May, I have only been able to arrange services for the 16th and 30th. I shall continue my search and ensure that the regular attendees are aware of arrangements and whether or not a service will take place.

*Dear Readers*

*I hope you won't suffer, but this May magazine has been edited in the United States. This tends to happen at this time of the year when we visit our daughter and grandchildren.*

*However, this time was rather more fraught when the laptop that I was using and on which I had virtually completed the magazine, cratered and refused to start up again. Fortunately I had all the emails and was able to resurrect the magazine by using my daughter's computer.*

*So if you find any omissions, I hope you will forgive me. Please let me know and I will try to put it right next month.*

*Regards Ed*

excitement!!

## Thank you Corner

I would like to thank everyone for the beautiful Royal School of Needlework book, "Art of Embroidery" that I was given at the Annual Church Meeting. I am shortly going to another Ecclesiastical Embroidery course at Hampton Court. I will have no excuse not knowing the history and technique of stitches.

It has been a great honour and pleasure to be a Churchwarden for the last three years. I am very grateful for all the help and support you have given me.

It was a very fortunate evening, in October 2003, when Ken and I drove across a wet and windswept Ashdown Forest to find Withyham. We had been told they had Evensong at the church. We were given a lovely warm welcome and never left.

**Rosemary Cadogan-Rawlinson.**

*Kath, Fred, Adrian, Mark and Sara Stillwell, would like to thank all those that came to Bryan's funeral on the 28th April. We would also like to thank you for the generous donations.*

*It was lovely to see so many of Bryan's friends from both past and present attending what was a very sad occasion for all of us.*

## WITHYHAM HORTICULTURAL SOCIETY

I am pleased to report that despite the really cold weather conditions we did have a successful Spring Show although as you might gather there were not as many narcissi as usual as there were not many in bloom at the time! Anyway apart from this we did have a very good day which was sunny and bright.

Sadly I have to report that due to ill health, Anne Barker has had to resign as chairwoman and our thanks go to her for the support she has given us over the past months.

The Society is now at another crossroads and if we do not get more support we will have to give serious thoughts as to what the future holds. Luckily Simon Costen who is our vice chairman has kindly agreed to continue as acting chairman up to the AGM in November. We have also lost two committee members so the committee also needs a bit more support especially on the Show days, there is a lot of work to do and at the moment it is falling on just a few people. Should you like to join the committee, put yourself forward as the next chairperson, or have any suggestions as to how you would like your Society to continue please let me or one of the committee know. We will be having a committee meeting in May where this subject will be discussed very thoroughly.

Garden Tips for this month are:

1. Grow drought beating Iris's there are some lovely varieties to be had and they make a very colourful display.

2. Keep lawns mown and dig out any daisies and dandelions making sure to dig out the roots if possible and fill the holes with soil.

3. In the veg. plot make sure you earth up the potatoes and now is the time to prepare a trench for your runner or French beans by digging compost or well-rotted manure deep into the ground to lock in moisture.

4. Add fertilizer along rows of cane fruits and strawberries, check for unwanted strawberry runners and pinch them off. Start picking rhubarb and apply liquid feed to the surrounding soil.

I realise that this year has got off to a very slow start and some of the above may not apply!

Happy gardening all the same.

## ARTIST OF THE MONTH – MAY - Albrecht Durer 1471 - 1528

He is regarded as one of the greatest German artists ever. Amongst his patrons were princes and emperors. He was born in Nuremberg and produced more self-portraits than any other artist of his day. His father was an Hungarian immigrant who was a goldsmith. Albrecht was the second of 18 children. The young Albrecht was apprenticed to his father at the age of 11 and trained in the family trade. It soon became obvious to his father that his son was talented. At the age of 17 he went to work in the workshop of Michael Wolgemut, then the leading church painter of Nuremberg.

He was known as the Leonardo of the North and there were similarities between the two artists. They both had a desire to understand nature. Towards the end of their lives both men made numerous handwritten notes, sketches and drawings. He loved to paint but his printing eclipsed his painting. He also loved engraving, woodcutting and etching. Durer's art (from about 1500) showed the influence of the mathematical theory of proportion and in the following six years he went from being a relatively little known artist to an extremely good one known not only for art but also mathematics. However in 1502 his life changed with the death of his father and he was left to look after his elderly mother. He set up his printing press and he and his wife sold his works at local fairs. Life was not easy and his health suffered as a result. His health never fully recovered.

He visited Italy in 1494 and 1505. The aim of these journeys was to broaden his horizons. During his first visit he actually produced very little work spending his time observing other artist's work, notably Mantegna and the Bellini brothers. His second visit was however a different affair as he was more preoccupied by his own increasing international fame. He was more at ease as a printmaker and was a very gifted draughtsman and many thousands of his works still survive today. His gravestone in St John's cemetery in Nuremberg shows his death as the "eighth day before the Ides of April 1528".

### Self-portrait at the age of 28 (1500)

This is the last of his three painted self-portraits. He was almost 30 years old and viewed himself as creative and independent equal to the best of the Italian artists. The self-portrait is regarded as similar to many portrayals of Jesus Christ. It has been suggested that Durer depicted himself like this due in part to his arrogance and a wish to show how his talent as an artist was God-given. He once said **"Why has God given me such magnificent talent? It is a curse as well as a great blessing."** "It is likely that the painting was sold or donated to the Nuremberg city council. In 1805 it was sold to the Bavarian Royal Collection. It is now in the Alte Pinakothek, Munich. *(with grateful thanks to Ian Morgan)*

Alternatively if you are unable to attend church services in CA Week, you may deliver the envelope at the Rectory. Please also complete the Gift Aid declaration (on the envelope) if you are a tax payer.

## WITHYHAM PARISH COUNCIL (WPC) Notes – APRIL

**ANNUAL PARISH ASSEMBLY (APA):** Councillors have volunteered for various tasks, and the content of the WPC stall has been agreed. In particular photographs will be displayed of the two main celebrations, the **Diamond Jubilee** and **Will Bayley's homecoming**, and the **Launch of the WPC Website**.  
**WDC and ESCC:** A legal challenge has been lodged against the Core Strategy.

### WARD REPORTS

**Groombridge:** A table tennis table is to be installed by the Guide Hut on the Recreation Ground. It was noted with concern that the Astroturf to be laid under the table will cost £1,250. Will has kindly agreed to open this table tennis table on 20<sup>th</sup> July 2013. Bark chips are to be delivered and then spread in the playgrounds in Groombridge and Balls Green.

**St John's ward:** Two local residents had met with Charles Hendry MP., about the parking issue in Hoadleys Lane. It was decided that a wider entrance could be created between the properties owned by WDC which will allow cars to be parked on some hard standing. A good street meeting had taken place at the top of Hoadleys Lane with the PCSO and this was well attended.

**Withyham/Blackham:** Cllr Mandy Bowler reported that a dog waste bin had been installed outside St Michael's school but that there is also a need for one at Teasley Mead. Would anyone like to take on the role of a parish councillor representing the views of residents in this ward? Please contact the parish office.

**NEW PARISH OFFICE at the Old Station, Groombridge:** 'Moving Day' took place on 2<sup>nd</sup> April. The main meeting room will be equipped as a Training Room. There will be an "Open Day" once the clerks have settled in. All future WPC planning and council meetings will take place at the new parish office.

**BALLS GREEN PLAY AREA:** Letters are to be sent to parents of children at St Michael's School seeking their views on a future play area at Balls Green.

**RIGHTS OF WAY COMMITTEE:** Stephen Bowler has expressed an interest in becoming Chairman.

**Neighbourhood Planning.** It would appear that this is a long expensive process and, because it must conform to the Core Strategy and other top down government planning, does not necessarily reflect the views of the community

**Parish Council Website:** This is due to go live shortly and will be launched at the APA.

**BROADBAND:** will be discussed at the next WPC meeting.

**Diana Kelly** (Chair: WPC)

*(WPC contact information can be found on the back page of the magazine)*
